Hello!

I have a passion for all things creative, and I am ready to work with you. I have a range of skills in animation, fine art, and design to get the job done.

Education

SCAD Atlanta
Bachelor of Fine Arts
Spring 2017
Major : Animation
Related Coursework : Focus on 3D, Stop-Motion, and concept development

Signal Mountain High School
IB Diploma
2013
International diploma with college credits recieved

Awards and Recognition

SCAD Atlanta Womens Tennis Team Coaches Award
Coach chooses one player a year who went above and beyond for team

Imagine Magazine
May/June 2014
An article about outstanding art students

Professional Experience

- Mandarin Strings, Repair Technician, Sept. 2018-pres.
I repair orchestra instruments, manage rental accounts, and sell instruments. I will also be redoing the companies website.
- Freelance Artist, June 2017-pres.
I make and sell jewelry, paintings, figurines, and illustrations online and in person. Much of my work is custom.
- Bobbleheads.com, Sculptor, Sept.-Oct. 2017
I worked on a project to sculpt custom pets out of clay to be made into bobble heads.
- Petal Towns, Film Director, Aug. 2016 - March 2017
Petal Towns was my senior film at SCAD. It's a stop motion film and I directed, animated, fabricated, edited, and cowrote the score.
- SCAD Programs, SS Assistant, June - Aug. 2016
Summer Seminars is a program for high school students to experience taking classes living on a college campus. I kept students on schedule, planned creative activities, leading trips, and promoting the school to students and parents.
